Delock USB 2.0 Switch 2 PC to 1 device

Description

This USB switch by Delock allows to share a single USB 2.0 peripheral device with two different computer systems. This avoids the cost of purchasing multiple peripherals or the hassle of swapping cables from one system to another.

Item no. 11503

EAN: 4043619115037

Country of origin: China

Package: Retail Box
