

PVC Edge Protector self-adhesive ribbed 25 x 25 mm – 1 m length black

Description

The self-adhesive PVC edge protector by Delock reliably covers sharp edges and hard surfaces. The sturdy, dimensionally stable, and durable plastic material protects against impacts, scratches, and wear, and provides a clean finish. Thanks to its self-adhesive backing, the edge protector can be quickly and easily applied to smooth surfaces and cut to size as needed. Ideal for tables, shelves, cabinets, countertops, wall edges, and other furniture or structural edges. The ribbed surface ensures a modern look and allows it to conform flexibly to straight edges and corners.
