

# Cloth Adhesive Tape 25 m x 19 mm untearable self-adhesive black

## Description

This cloth tape by Delock can be used for insulating electrical cables and wrapping cable harnesses, e.g. in the automotive sector.

### High flexibility and tear resistance

The tape is made of flexible fibre material with a high tear strength and is ideal for small repairs. The protective fabric material also offers optimal temperature and corrosion resistance.

### Cuttable

With the help of scissors, the length of the tape can be shortened individually.

25 m

**Item no. 22004**

EAN: 4043619220045

Country of origin: China

Package: Zip poly bag

## Technical details

- Length: ca. 25 m
- Width: ca. 19 mm
- Thickness: ca. 0.25 mm
- Self-adhesive
- Untearable
- Tensile strength: > 16.3 kg
- Elongation at break: > 10%
- Adhesive strength on steel:  $\geq 0.25$  kg
- Environmental temperature: -40 °C ~ 150 °C
- Material: polyester + acrylate
- Colour: black

## Package content

- Cloth tape
