USB Stereo Headset with Cable Remote Control and Quick-Mute Button for PC and Laptop

Description

Item no. 27180

EAN: 4043619271801

Country of origin: China

Package: Retail Box

This USB headset by Delock is suitable for playback and recording of audio signals which can be used for working at home or for small business usage. It is ideally suited for **Skype**, **video conferencing** or **online-courses**.

Optimal recordings & good stereo sound
Due to the flexible microphone arm, the microphone picks up voice and vocal transmissions loud and clear. The headset offers a sampling rate of up to **16 Bit** / **48 kHz** and can therefore record and playback audio signals in **DVD quality.**

Comfortable to wear
The headset has soft earmuffs and is remarkably light at only about **126 grams.** The headband can be adjusted to the required head size. Therefore the headset offers a pleasant wearing comfort even during longer use.

Cable remote control & Quick-Mute button
The cable is equipped with a cable remote control, which can be used to adjust the volume on the headset as required. The Quick-Mute button can be used to instantly mute the microphone. A **red LED** lights up on the remote control when the microphone is muted.

Plug & Play
Due to USB Plug & Play the headset is ready to use immediately and no driver installation is necessary. The headset works with all common operating systems such as **Windows, Mac OS, Chrome OS and Linux.**

Technical details

- Connector: 1 x USB 2.0 Type-A male
- Directivity: omnidirectional
- Sensitivity:
