Bluetooth 5.0 Headphones Over-Ear foldable with integrated Microphone and intense Bass, up to 20 hours playback time

Description

This Bluetooth headphones by Delock is designed for wireless playback of **HiFi-Stereo Sound**. Due to the integrated microphone, the headphones are also suitable for telephoning, skype, video conferences or for online courses.

Outstanding sound experience

The **40 mm** headphones audio drivers feature crystal clear sound, as well as **intense bass**, for a premium listening experience.

Comfortable to wear

The headphones have a soft and padded headband. The ultra-light and soft ear pads enclose the ears optimally. Due to the **low weight** of only about **228 grams**, the headphones are remarkably light and therefore offer maximum wearing comfort even during longer use. The headband can be adjusted to the preferred head size and the ear shells adapt individually to the head.

Cordless or with Stereo Jack Cable

The headphones can be used cordlessly or with the included **3.5 mm** stereo **jack cable**. Also included is a stereo jack adapter for using the headphones on airplanes.

Long playback time

The built-in **400 mAh** rechargeable battery offers **up to 20 hours** of playback time, as well as about 120 hours of standby time. Within about 2 hours, the headphones can be fully recharged via quick charge. The headphones can also be used with an empty battery via a jack cable.

Fast pairing

Due to the **Bluetooth V 5.0** standard, the headphones ensure a fast and energy-saving connection to all Bluetooth-enabled devices within a range of up to **10 meters**.

Item no. 27181

EAN: 4043619271818

Country of origin: China

Package: Retail Box
