Fan Screw Set M5 x 20 mm 20 pcs

Description

This fan screw set by Delock is ideal for securely mounting fans, fan grilles, filter units and other accessories in control cabinets, network cabinets, server cabinets and industrial enclosures. The set contains all the fasteners required for stable and reliable installation.

Complete kit for easy installation

The set consists of M5 x 20 mm screws, matching nuts, washers and spring washers. This combination ensures a secure hold and protects the screw connection from coming loose due to vibrations or mechanical stress.

Item no. 42547
