Cable Gland M32 x 1.5 mm 90° angled grey

Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

Multifunctional application

Due to the robust design, cable glands are often used in automation and machine systems.
