

19" 1U Cable Management Panel with 4 x hook-and-loop cable ties black

Description

The 19" panel by Delock can be mounted in a 19" rack and is the ideal solution for clean, structured cable management in IT and network racks.

With hook-and-loop cable ties

The integrated 4 hook-and-loop cable ties allow cables to be quickly bundled, secured and easily released again if necessary – ideal for frequent changes or additions to the rack. The panel helps to reduce cable clutter, improve air circulation and facilitate access to individual connections.
