

19" 1U Shelf with 2 adjustable dividers up to 154 mm deep max. 6 kg load capacity black

Description

This 19" shelf by Delock is suitable for installation in a 19" network cabinet. The shelf provides the perfect storage surface for components that cannot be installed and leaves a neat and tidy impression in the network cabinet.

With adjustable dividers

Two flexible, movable dividers allow you to customise the compartments. This means that devices, or accessories of different sizes can be stored clearly and securely.

Item no. 91069
