

USB Type-C™ female to DC 5.5 x 2.1 mm Adapter, compatible with Starlink Mini, grey

Description

This Delock adapter is designed to power compatible Starlink systems. It is ideal for use in motorhomes, campervans, boats, solar installations and other mobile applications.

Please Note

A USB-C™ power adapter with USB Power Delivery (PD) and a minimum power output of 65 W (20 V / 3.25 A) should be used. The adapter supports USB-C™ PD with a maximum input power of 100 W (20 V / 5 A) and is therefore also compatible with higher-power USB-C™ PD power adapters up to 100 W. If using a power bank, it must support the USB Power Delivery (PD) protocol and provide an output voltage of 20 V. USB-C™ chargers without PD functionality or with an output power of less than 65 W (20 V / 3.25 A) are not suitable.

Item no. 91827

EAN: 4043619918270

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
1 x USB Type-C™ female
1 x DC 5.5 x 2.1 mm male compatible with Starlink
- Compatible with Starlink Mini
- USB Type-C™ female port supports USB PD up to 100 watts (20 V / 5 A)
- Protection rating: IP67
- Material: PVC
- Colour: grey
