

# Delock Cable Ties Mounting Coupler D 12 x H 8 mm 90° rotatable black 100 pieces

## Description

This mounting coupler by Delock offers maximum flexibility of the cable ties, as it can be easily moved after bundling and rotated by 90° to optimise the position of the cables. After installation, additional cable ties can be easily integrated into the coupling without having to loosen existing connections.

### 90° rotatable

It is ideal for the parallel installation of cable bundles and allows them to be rotated 90° even after installation to perfectly align them with the desired orientation.

100 x
