

# Cable Duct PVC flexible 20 x 10 mm - length 2 m grey

## Description

This cable duct by Delock can be used to lay and bundle cables, electrical tubes or wires to protect them from dirt or damage and to ensure a clear and orderly cable routing.

### Quick mounting and high flexibility

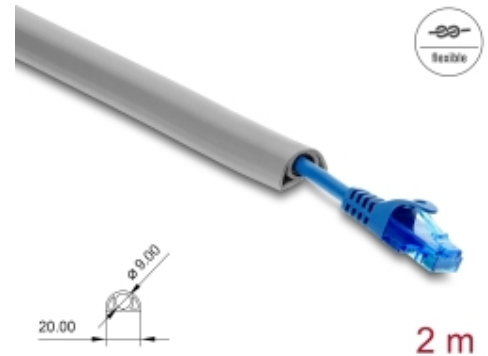

The cable duct comes with pre-applied adhesive tape on the underside, allowing for easy and hassle-free installation on the floor. The flexible PVC material also ensures a high level of flexibility.

### Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.

### Cutable

The length of the cable duct can be shortened individually with the scissors.
