

# Delock Type-C™ Port Blocker Set for Type-C™ female ports 5 pieces + lock tool

## Description

With this Type-C™ port blocker set by Delock Type-C™ ports can be secured against unauthorized access. The **port blockers housed inside the tool** are placed on the tip, pushed into the Type-C™ port and block the Type-C™ socket. A total of 5 Type-C™ ports can be blocked with the set. Access by cables or similar to the port are then no longer possible. To open the lock, the included tool is required.

## Practical design with eyelet

The shape of the tool is reminiscent of a USB stick and, with the eyelet at the rear end, offers the possibility of attaching the port blocker to a key ring, for example.
