

Delock Wiring Duct 16 x 16 mm - length 1 m grey

Description

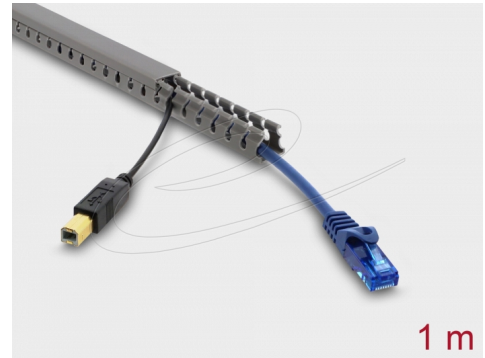

This wiring duct by Delock is suitable for the safe and tidy routing of electrical lines and cables in buildings or server rooms.

Easy access and flexible cable routing

The cable duct has several slots for pulling the cables through, so that the cables can be easily fed in and out of the duct. Easy opening and closing of the cover profile allows quick access to the cabling at any time.

Simple and flexible mounting with screws or adhesive tape

The wiring duct offers versatile mounting options and can be installed on walls, ceilings, floors or in the switch cabinet. For quick installation, it can be fitted with adhesive tape on the underside for easy attachment to smooth surfaces. Alternatively, the duct can also be mounted with screws for particularly stable fastening.

Item no. 22025

EAN: 4043619220250

Country of origin: China

Package: White Box

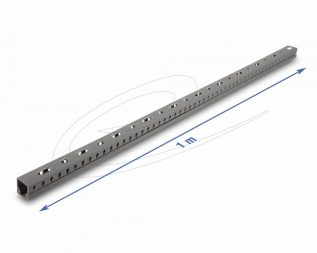

Technical details

- Slotted wiring channel
- Removable cover
- Secure cable routing
- Individually shortenable
- Heat-resistant up to 85 °C
- Material: PVC
- Colour: grey
- Dimensions (LxWxH): ca. 1000 x 16 x 16 mm

Package content

- Wiring duct
