

Cable Duct flexible self-adhesive screwable 25 x 26 mm - length 50 cm grey

Description

This cable duct by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage and to ensure a clear and orderly cable routing.

Quick mounting

The cable duct is provided with adhesive tape on the bottom and can therefore be easily and simply attached e.g. to the floor or to the wall. Optionally, the cable duct can also be fixed with screws. The cable harnesses and tubes can be inserted and removed and branched over the entire length.

Multifunctional application

The cable duct can be installed in control cabinets or vehicles and is easy to attach thanks to its flexibility.
