

# Delock Cable Gland with strain relief 90° angled PG21 grey

## Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes. The angled design is perfectly suited to use the cable gland in installation areas with limited space.

### Additional protection through strain relief

Due to the bend protection spiral, the flexible cables are secured and protected from excessive bending, e.g. in the case of moving machine parts.

### IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

### Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.

**Item no. 60590**

EAN: 4043619605903

Country of origin: China

Package: Zip poly bag

## Specification

- Thread size: PG21
- Thread length: 10 mm
- Spanner width: 33 mm
- Protection class: IP68
- Cable diameter:
  - min.: 13 mm
  - max.: 18 mm
- Operating temperature: -40 °C ~ 100 °C
- Material: plastic
- Colour: grey RAL7035

## Package content

- Cable gland
