

# Adapter USB Type-A male to HDMI female 4K

## Description

This adapter by Delock enables the connection of an **HDMI monitor, TV, projector**, or similar display to a PC or laptop via a **free USB Type-A port**. Video and audio signals are transmitted through the USB interface, making the adapter ideal for presentations, multi-monitor workstations, or mobile applications. The adapter operates **independently of DisplayPort Alt Mode** and can therefore also be used with devices that feature a standard USB Type-A port without native video output.

**Item no. 62144**

EAN: 4043619621446

Country of origin: China

Package: Retail Box

## Technical details

- Connectors:
  - 1 x USB 5 Gbps Type-A male
  - 1 x HDMI female
- Chipset: Silicon Motion SM768
- High Speed HDMI with Ethernet (HEC) specification
- Resolution up to 3840 x 2160 @ 30 Hz (depending on the system and the connected hardware)
