

Cable Connector RJ45 jack to RJ45 jack Cat.6 with M20 x 1.5 mm thread and protective cap with housing compatible with Starlink IP68 dust and waterproof

Description

This cable connector by Delock is the ideal solution for connecting a Starlink satellite internet connection to a home network. It ensures stable and fast data transfer between the Starlink router and other devices.

With additional housing

The housing can be screwed to the female port and enables a waterproof network connection, e.g. outdoors.

IP68 dust and waterproof

The sealing cap protects the RJ45 female port from moisture, damage and dirt in outdoor areas when not in use.
