

M12 Adapter D-coded 4 pin male to RJ45 jack for built-in round straight

Description

This industrial Ethernet adapter by Delock can be used to connect various components with M12 connectors, e.g. for machine control or automation.

Round built-in version – straight design

The round built-in version of the M12 adapter enables space-saving and secure integration directly into switch panels, housings or connection panels. The straight design makes the adapter particularly easy to install. It ensures a clean, professional connection between the cable and the device and is ideal for installation in control cabinets, enclosures and industrial network environments.

Item no. 90662

EAN: 4043619906628

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
 - 1 x M12 male D-coded 4 pin
 - 1 x RJ45 jack
- Cat.5e specification
- Shielded
- Round built-in version
- Straight design
- Installation dimensions: 16.3 x 13.8 mm
- Silicone sealing ring blue
- Housing material: PE
- M16 x 1.5 mm external thread
- Operating voltage: max. 250 V
- Current: max. 4 A
- Operating temperature: -25 °C ~ 85 °C
- Protection class: IP67 (M12)
- Colour: black
- Dimensions (LxD): ca. 49.0 x 20.5 mm

Package content

- Adapter
