

# Fan Cable USB 2.0 Type-A male to 3 pin (2 pins connected) fan connector male with switch 50 cm

## Description

This USB 3 pin fan cable by Delock allows you to reliably power a PC fan via a 5 V USB Type-A port. The cable is perfect for additional or external cooling projects and offers a simple solution for operating case fans.

### With on / off switch

The practical switch allows the fan to be switched on or off directly without having to disconnect the cable. This offers maximum flexibility in cooling and enables quick and easy control of PC or case fans.
